

## MEMORANDUM

**DATE:** February 24, 2004  
**TO:** City Council  
**FROM:** Council Subcommittee  
(Councilmembers Lear and Packard)  
**SUBJECT: PATRIOT ACT**

---

### RECOMMENDATION

Authorize Mayor Moss to write and send a final version of the letter that represents the Council's consensus.

### DISCUSSION

At the meeting on February 10, Council approved a subcommittee and tasked it to draft a letter to our legislators on the Patriot Act. Councilmembers Lear and Packard were appointed to the subcommittee. Two draft versions of this letter have been provided and are included in this report as an attachment. The subcommittee recommends that the Mayor be authorized to write and send a final version that, in his opinion, represents the council's consensus, without further consultation with the Council.
